Visa Support Letter

In my capacity of General Chair of the 13th Asian Conference on Computer Vision (ACCV'16) (http://www.accv2016.org/), hereby I am pleased to invite Xu Jun, The Hong Kong Polytechnic University, is the author of an ACCV'16 accepted paper and is invited to present the paper in ACCV'16, which will be held on Nov. 20th and 24th, 2016.

ACCV is a leading biennial international conference mainly sponsored by Asian Federation of Computer Vision with less than 25% acceptance rate this year. This highly successful series provides a premier forum for researchers, developers, and practitioners to present and discuss new problems, solutions, and technologies in computer vision and related areas. The success of ACCV'16 will highly depend on the participation of all authors of accepted papers. If you require any extra information, please visit our conference website at http://www.accv2016.org/ or contact me.

Sincerely,

Yi-Ping Hung
